1 Pursuant to Civil L.R. 3-13, defendants submit the following Notice of Pendency
 2 of Other Actions:

3 On February 16, 2008, a lawsuit was filed against affiliates of defendant Comcast
 4 Corporation (“Comcast”) in the District of Columbia Superior Court. The case,
 5 captioned *Sidner v. Comcast of the District*, Civil Action No. 2008 CA 001180 B, is a
 6 putative class action brought by Comcast District of Columbia high-speed internet
 7 service subscribers and, like this matter, relates to Comcast’s network management.

8 On June 5, 2008, a lawsuit was filed against Comcast affiliates in the Superior
 9 Court of California, County of Los Angeles. The case, captioned *Rea v. Comcast of*
 10 *California II, Inc. et al.*, BC 392029, is a putative class action brought by Comcast
 11 California high-speed internet service subscribers and also relates to Comcast’s network
 12 management. All of the Defendants in *Rea* are also named in this matter.¹

13 It is premature to know at this point whether coordination of these cases will be
 14 appropriate.

15 Respectfully submitted,
